Puget Sound Photographic Collectors Society 38th Annual Camera Sale, Swap and Show

The largest one day Camera Sale, Swap and Show in the Western United States will be held on Saturday April 14th 2018 from 8:30 am to 4 pm at Kent Commons Recreation Center - 525 Fourth Ave North, Kent, Washington. Over 160 six foot tables piled high with digital, antique, "user" and collectable photographica will be displayed or offered for sale or trade by collectors from across the Western United States and Canada. There will be up to twenty-five display tables exhibiting unusual photographic collectables from the collections of Puget Sound Photographic Collectors Society members.

The sale/show is sponsored by the Puget Sound Photographic Collectors Society, and the 38th Annual Show is expected to be the best one yet! The sale is a virtual cornucopia of all things photographic--literally thousands of photographic items will be offered for sale or trade. Included will be "user" cameras (both digital and film), lenses, accessories for current and collectable cameras, darkroom equipment, instruction manuals, literature and images dating back to the earliest years of photography. Fascinating antique and collectable cameras attract buyers from around the United States, Canada, Europe and Asia. The instruments that recorded our history have truly become prized treasures.

The Puget Sound Photographic Collectors Society, Inc., organized in 1979, is a non-profit group of photography enthusiasts dedicated to encouraging public awareness and appreciation of our photographic heritage. **The public is welcome to bring any photographic items they would like to have appraised or to trade or sell.**

The doors will open to the general public at 10:00 am Saturday April 14, 2018; General admission is \$5.00. For the more serious collector, an 8:30 am early admittance can be purchased for \$15.00. Plenty of FREE parking is available.

For additional information about the sale or the Puget Sound Photographic Society's meetings check the club's website: www.PSPCS.org or email: shutterf64@yahoo.com
